HOUSEHOLD INFORMATION

Your "household" should include all persons residing within your household, regardless of whether or not they are related.

1. Total number of members in your household: _____

Please enter the combined gross annual income of your household: \$ _____

In the chart below, find the number of persons in your family in the left-hand column under "Household Size". Then, moving left to right, find the salary range in which your household income falls.

For example, a family of four that makes \$70,000 would put a check next to \$51,401-\$85,700.
